### Ferretti 960

Ferretti 960 luxury charter yacht built in Italian shipyard Ferretti and launched in 2014. Her amazing exterior styling and her elegant interior is done by Zuccon International Project. She boasts beautiful sundeck and features; bar, dining table, large seating areas and custom-made awnings.

Entire interior including salon and the staterooms, offers charter guests a light, soft, inviting and yet luxurious feeling.

Her layout sleeps ten guests in five air conditioned and en-suite staterooms. Full beam master cabin is located on the main deck forward of salon and feature; king size bed, en-suite with separate toilet area and a large shower, wardrobe.

Four spacious guest cabins are based on the lower deck level, providing accommodation in two double cabins and two twin cabins convertible into double if required by her charter guests.

Ferretti 960 is powered by twin MTU 16V 2000 M94 engines, developing 2638 BHP per engine and reaches max speed of 30.0 Knots. Her usual cruising speed is 26.0 Knots with range of 300 Nautical Miles.

She is equipped with ARG stabilizing system at anchor and underway, therefore ship motions such as rolling, pitching, yawing etc is minimized making your charter experience more comfortable. Ferretti 960 offers fantastic selection of sea water toys to her guests listed herein below and she is manned by professional marine crew.
