

LIGHT BLUE

This unique model of the SUNSEEKER PREDATOR 82 is the perfect combination of luxury and sport lines, this yacht is a real head turner. Light Blue reaches the top speeds of 35 knots which makes her the perfect yacht choice to cruise along the coast and enjoy the day at sea. Thanks to the spacious swim platform she allows to enjoy snorkeling and watersports while is at anchor.

Accommodation on board of LIGHT BLUE, offers 4 generously sized cabins, forward VIP Guest cabin and full beam Master cabin amidships together with a Twin bunk-bed cabin to port and a twin cabin to starboard, all with ensuite bathrooms. The large salon and galley are luxuriously appointed and all accented with the signature Sunseeker style where you can feel the quality of materials.

A high-angle, slightly faded photograph of a yacht's deck. Three people are relaxing on a large, light-colored cushioned area. A man in blue shorts is in the foreground, a woman in a blue bikini is to his right, and a child is further back. Towels with the text 'LIGHT BLUE' are visible. The yacht's white hull and blue accents are visible around the seating area.
