

M/Y APOLLO - BRAND NEW SUNSEEKER MANHATTAN 70 ft

LUXURY CREWED CHARTER ON THE ADRIATIC SEA

4 Cabins | 8 Guests | 2 Crew

SUNSEEKER IS LIFESTYLE

Launched in 2024, the brand-new Sunseeker Manhattan 68 M/Y Apollo couples contemporary design and expansive spaces with a cosy ambience. Named after the Greek god of poetry and music, at 21 meters, she sets an airy stage for up to 8 guests to enjoy magical yachting holidays on the Adriatic.

The main trait of her design is the clever use of space that allows the guests to savour wonderful times together and relaxing moments in private. Her four double cabins on the lower deck make M/Y Apollo a perfect choice for multigenerational families and groups of friends and couples travelling together.

Poised amidships, the master is an elegant full-beam suite with access via its staircase, maximising privacy and quiet. The VIP double bed cabin and two guest twin cabins are accessed via the lower helm. The master suite and the VIP double bed cabin have ensuite bathrooms, while the two twin cabins share the third one.

The main deck features generous, usable, and friendly spaces that make it easy to soak up all the charm of the Adriatic. Marvel at the views and suntan at the Portuguese bridge bow seating and sunbathing area. Soak up the breeze and dine al fresco on the aft deck. Escape the afternoon heat in the saloon that has a 55" Smart TV but puts on an even better show of great views through the sweeping glazing.

Plunge into the crystal-clear sea from the innovative Beach Club with a hydraulic bathing platform and a floating beach. M/Y Apollo holds many water toys for the active and adventurous, including a jet tender, Sea Bob, E-Foil, water skis, and fishing and snorkelling gear. For the best sunset views (coupled with cocktails!), head up to the flybridge which even has a BBQ to feast on the fresh, grilled seafood delights whenever you like.

True to her name, M/Y Apollo offers extraordinary comfort and luxury with incredible detailing. The combination of ample natural light, ambient lighting, and a neutral colour palate with grey accents allows the sea's blue and sky to stand out at every glance. High-end technology makes it easy to set the mood as you please, wherever you please. Smart TVs are installed in the saloon and all cabins, while the Sonos audio system with independent controls in different zones makes it easy for everyone to indulge in their mood of the moment.

Rounding off the experience onboard, M/Y Apollo is a dedicated crew of two who will ensure you get to experience the poetry of the Adriatic in full splendour.

THE SUNSEEKER FLYBRIDGE YACHT IS A STAND-OUT ICON
AMONGST ITS CONTEMPORIES. DESIGNED FOR ENTERTAINING,
THE MANHATTAN IS SPACIOUS AND EXCEPTIONALLY LUXURIOUS
FINISHED TO AN
INDUSTRY-DEFINING STANDARD.
